Enchanting River Cruises

There's never been a better time to visit some of the world's most famous rivers with more and more river cruise lines building new ships and adding exotic destinations to their schedules. From cruising past picture-perfect castles along the Rhine to travelling the Mekong through Cambodia and Vietnam, there is a river cruise for every taste and style.

A Wide Choice of Destinations to Explore

The choice of cruise destinations is endless. If you are seeking stunning scenery and historical towns, choose a cruise on the beautiful waterways of Europe. For a touch of the exotic, consider China and the rivers of Myanmar. No matter where you choose to cruise, a river cruise is a spectacular way to see a country up close, with towns and cities located along the edges of waterways.

An Intimate Experience

When you step on board a river cruise, you'll immediately notice the warm and welcoming atmosphere. Cruise the legendary rivers of the world in absolute comfort, with gourmet cuisine, comfortable cabins and attentive personalised service. Higher crew to guest ratios allow for a unique and intimate holiday.

On a river cruise the scenery is ever-changing and the ship's deck is the perfect place to sit back and take in the mesmerising views. Shorter and slimmer, river vessels can access locations and smaller ports which ocean liners simply cannot. Itineraries offer a wide variety of experiences.

Captivating Shore Excursions

The best part about a river cruise holiday is you get to wake up and find a new destination outside your cabin almost every day. Explore the picturesque riverside towns and discover the customs, heritage and local cuisine on a cultural excursion. Wander through an outdoor market, tour a centuries-old cathedral or take in the bustling streets of Cambodia in a tuk tuk. Some river cruises cater to niche interests, offering a variety of themed excursions such as wine tasting, bike riding tours and cooking classes.

Explore the Great Rivers of Asia

Asia offers a variety of river cruises, from the mighty Yangtze river in China to the breathtaking rivers of South East Asia.

Cruise along the Mekong River, through Cambodia and Vietnam and experience diverse villages, floating markets and ancient temples. Explore the temple ruins at Bagan and the ancient capital of Amarapura on a river cruise between Mandalay and Yangon on the Irrawaddy River, Myanmar. Take in the dramatic scenery, stunning beauty and man-made wonders as you set sail along China's largest river, the Yangtze.

Which cruise line? Viking River Cruises, Uniworld Boutique River Cruises, Pandaw Cruises, Heritage Line.

Enchanting Rivers of Europe

Cruise along the famous Rhine and Danube rivers from Budapest to Amsterdam and learn about the history of the medieval villages and historic cities. Admire the castles and spectacular scenery as you cruise between Passau and Budapest on the Danube.

Indulge your taste buds with fine French wine and cuisine as you cruise along the Rhone in France. Visit the riverside town of Lyon and enjoy a tasting in one of the famous Beaujolais cellars.

Discover the beautifully restored city of Dresden and the charm and culture of Prague as you cruise the Elbe in Germany. If breathtaking scenery and stunning architecture are calling your name, then a cruise on the Douro in Portugal may be just what you're looking for!

Which cruise line? Viking River Cruises, Uniworld Boutique River Cruises, Crystal River Cruises, European Waterways, Riviera Travel and CroisiEurope.

Colourful Mighty Mississippi River

Cruise the Mississippi River on an iconic paddlewheel steamboat and discover the old world charm of America's south. Commence your journey in the Lower Mississippi and cruise past stately antebellum plantations, centuries-old oak trees and Civil War battlefields. Take in the Southern atmosphere as you explore the vibrant cities of Memphis and New Orleans.

Sample the delicious regional cuisine and enjoy great jazz music as you journey to the Upper Mississippi. Discover dramatic landscapes and visit the hometown of the famous author Mark Twain. Get close up views of bald eagle nests, scenic bluffs and beautiful gardens. A cruise on this mighty river promises to be an extraordinary trip.

Which cruise line? American Queen Steamboat Company and American Cruise Lines.

Voyages to Antiquity

SMALL SHIP CRUISING AT ITS BEST!

Voyages to Antiquity 2018/19 cruise program to South Africa, India and Southeast Asia features six amazing sailings and five incredible Fly Free Grand Voyages. These sailings offer an immersive cruise-tour experience, with highlights including the iconic Golden Triangle of India, the glittering pagodas of Burma and the enchanting beaches of the Maldives.

Outstanding Value – so much is included. Expert guest speakers will enlighten you onboard, while shore excursions with local guides are included in virtually every port. Excellent cuisine and wines with dinner, gratuities onboard, pre and/or post cruise hotel stays, transfers and free return airfares from Australia on our Fly Free Grand Voyages are just some of the inclusions, offering outstanding value.

Aegean Odyssey – the best of small ship cruising. Classically elegant, Aegean Odyssey provides wonderful service and intimate atmosphere. With open-seating dining, a relaxed dress code and understated evening entertainment, you'll feel at home. Aegean Odyssey's advantage is her size and ability to visit ports too small for larger vessels, navigate close to scenic islands and even cruise upriver to major inland cities.
